Who we are

Centro Mater, a nonprofit organization serving families in South Florida for over 55 years, provides quality early childhood education and social services to low-income families and over 1500 children, 6 weeks to 12 years old, through five national accredited sites in Miami-Dade County.

Centro Mater was founded in 1968 by Sister Margarita Miranda Otero, a member of the Society of the Sacred Heart in Cuba. She recognized an urgent need for child care services among the immigrant families in Miami.
